Rob Carmen had submitted a drawing of a suitable barrier for the bus stop opposite the Fenn Bell. He had said there were no funds in Medway Council's budget, but it could be installed at the Parish Council's expense for £643. This was discussed and it was agreed to proceed with this. The Clerk would approach the ward councillors for funding from their ward improvement funds, or some of the rural liaison grant could be used.

10 RURAL LIAISON COMMITTEE**194 a Representative's Report**

Cllr Budd reported on the last meeting. Cllr Hassell had also attended. There was now sparser rural policing. It was important everything was reported. The initiative and dispersal of nuisance motor cycles had been successful. There had been reports on a major incident control exercise and on youth provision. The Open meeting had followed, with Lodge Hill the only agenda item. They felt it had been poorly presented.

b Rural Liaison Grant Projects

199 a Magazine

Cllr Budd said he would write an article for the next issue.

200 b Website

Nothing to report.

14 CONSULTATION

201 Changes to Audit

The Government was consulting on proposed changes to the audit system, whereby councils with a turnover of under £25,000 would no longer require an external audit. However the proposals for transparency that would be substituted were similar to those already applying to councils with a turnover of over £200,000 and would be far more onerous and take up more of a clerk’s time, thus costing the relevant council more. The Clerk had already spoken to the County Secretary of KALC about this.

15 CORRESPONDENCE

202 None.

16 REPORTS AND CIRCULARS

203 The reports and circulars as listed on the agenda were received.

17 ANY OTHER BUSINESS

204 Green Waste Food Caddy

Cllr Budd asked if anyone had received their waste food caddy yet. All said they had not, but Cllr Ballard reported they had been delivered to residents in Lower Stoke.

The Chairman closed the meeting at 9.25 pm
