PRESS RELEASE

St Mary Hoo Parish Council called an extra ordinary meeting for 20 February 2024, to discuss **Planning Application MC/24/0291**. A notice of the meeting was sent to every home in the parish.

We are pleased to report that there were more than 80 attendees at the meeting. Those attending expressed their views by way of questions and concerns to the sitting members.

Members were unable to answer many of the questions because the proposed Developer was not in attendance as was promised.

Before closing the meeting, the Chairman requested a show of hands with fors and against the development. There was a unanimous vote against the development.

Members were able to assure residents that there will be a proposal at the next Parish Council meeting that the parish vote to “make comment” on this application. Attendees were encouraged to make their own comments on the Planning Portal of Medway Council website before April 2024.
